BASTMOOR	9.5.45.		No flying. The morning was quiet, interrupted only by the grunts and cries of anguish emitted by those who drank not wisely, but too well. In accordance with gase instructions	
			aircraft were marshalled and guarded. Extra sarvine Policy round the camp, but yesterday and to-day were singularly free from untoward incidents. Several softball games were well	***************************************
			attended in the afternoon. After the Cinema, the Intronaires Orchestra presided at the Station Dance to climax the second day of Victory in Europe. #, pps. from Linton responded to our invitation and from all appearances had themselves a time.	
ASTMOOR	10.5.45.		No flying. This is "R" Day (Rumour). All hands are back on deck discussing an early return to remeds. Selection of crews to fly the Lancasters to the land of the Maple Leaf	1
		ð	return to common. Selection of orders to by the immediate ground training of complete orders is under ways. General postings to me people were received, mostly types who have completed sorvening leave.	*
ASTMOOR	11,5,45.		Ban on flying lifted, although no flying authorised. Pilots, Navigators, on training taking sum and star shots. Grews are happy over the prospect of flying home. One acreemed pilot was posted to "R" Depot for repatriation. The fellows of our aguadron took advantage of the transport to Ripon for a few hours of swimming.	
ASTMOOR	12.5.45.		The ban on flying was lifted and five crews were authorised to carry out local and short cross country runs. The rumour about flying home was stopped to-day shen our squadron communder called the crews in the briefing room and advised them we were not flying home. Also the squadron commander remarked that this cancellation was not yet official.	7
ASTMOOR	13.5.45.		Sixteen crews were sent on seven days leave. The Mess had an air of desertion in the evening plying was restricted due to poor weather. In the evening the weather cleared up and our lads were observed playing soft bell and keeping in shape by participating in sports. Games	•
			and liberty bus runs are being erganised and it is felt this will help to keep the fellows- from being browned off due to lack of flying and operational commitments.	
LSTM(OOR	14.5.45		No flying. Weather grounded most crews. One screened wireless operator was posted to No. 24 0.7.0. for instructional duties. Three crews carried out H2S and Air to Sea and local flying. In the evening our soft ball team defeated No. 6 group at illerton park. The fellows of our Squadron who are not on leave took advantage of the transport available to	
			see the game.	
STMOOR	15.5.45.		weather is again poor. Five crews were employed on flying training and completed H2S, air to sea firing and bombing exercises. It was noted that some persons or persons unknown broke into several offices searching for articles of value. They got in the gausters	
			into several offices searching for articles of value. They got in the Squarren (lines and stole approximately 50,000 cigarettes and 10 bottles of 60m. The gertice Police have request assistance from the Special Investigation Branch, Darlington, in an endeavour to apprehend the culprite. The years is very quite as a large number of personnel are on leaves.	ed .
AS/IMOOR	16,5,45,		Training practically fil, one crew did an air test. Other personnel completed ground training. A large number of personnel went to the strengall firing range for a rifle shoot,	
			we out shot No. 415 Squadron 72.1 to 66.6.
